WELCOME *Message*

Grace and peace to you in the name of our Lord Jesus Christ.

On behalf of the Agape House of Worship Family of Churches (AHOWFC), it is my joy and privilege to welcome you to our Annual Men's Conference. This year's theme, "CALLED TO BUILD: Stewarding Your Life for Impact and Legacy," is both timely and urgent. We live in a world where men are constantly challenged to compromise, distracted by lesser pursuits, and pressured to abandon their God-given mandate. Yet Scripture reminds us that we are builders—builders of character, families, communities, and ultimately, the Kingdom of God.

This conference is designed to inspire, equip, and challenge every man to rise to his calling. We are honored to have with us our main speaker, Bishop Ray Mott, a man of wisdom, passion, and proven ministry, who will minister powerfully to us from God's Word. His insights will help us better understand what it means to steward our lives faithfully and to build with eternity in view.

In addition to our plenary sessions, we are excited to offer three dynamic breakout sessions running concurrently, where participants will have the opportunity to engage in practical, focused teaching that addresses real issues men face today. These smaller settings will allow for deeper dialogue, reflection, and the exchange of wisdom among brothers in Christ.

Our prayer is that every man who attends will leave renewed, strengthened, and equipped to live intentionally. May you be challenged to build with integrity, to lead with courage, and to leave a legacy of faith for generations to come.

I encourage you to open your heart fully to what the Spirit of God desires to do in your life during these days. Let us not simply be hearers but also doers, so that our impact will endure and our legacy will glorify God.

Welcome to the AHOWFC Annual Men's Conference—let's build together!

In His Service,
Pastor Jide Lawore
Apostolic Leader, AHOWFC

Welcome Message from the AHOW Men's Ministry Leader

Dear Brothers in Christ,

It's a privilege to gather under the theme: "Called to Build: Stewarding Your Life for Impact and Legacy." This conference is a sacred opportunity to reflect, grow, and rise as builders—of our lives, our families, and our communities. Through powerful teachings and meaningful discussions, we'll explore what it means to steward the gifts God has entrusted to us.

As we lean into the call to create lasting impact and build meaningful legacies, I encourage each of you to consider how your presence, your voice, and your actions can shape the world around you. Let's embrace this time together with open hearts, ready to learn from one another and strengthen the bonds of brotherhood. Thank you for being here—and for investing in your legacy.

Here's to a weekend of growth, connection, and impact.

In Christ,
Mayowa Okubanjo

Pastor Jide Lawore

Pastor Jide Lawore is the founder and the Apostolic Leader of the Agape House of Worship Family of Churches, an apostolic church with global influence with headquarter in Roselle, NJ. Pastor Jide (PJ as he is fondly called) is an astute teacher of the Word, a visionary leader, and a passionate kingdom builder. He is passionate about equipping God's people to achieve their God-given destiny and raising Spirit-filled leaders for Christ through training and impartation. Pastor Jide travels worldwide, strengthening, and empowering pastors and church leaders by preaching the gospel of the kingdom with power, authority, and signs and wonders.

Pastor Jide did not originally set out to be a pastor, he obtained a bachelor's and a master's degree in engineering and was having a successful career as Project Management Professional (PMP) before the Lord called him into a full-time ministry. He has authored two widely acclaimed books: GPS-God's Positioning System: Locating God's Plan for Your Life and Extreme Makeover: The Secret of Genuine Transformation. He is happily married to his lovely wife, Bimbola Lawore, a co-laborer in the ministry. Together they are blessed with three wonderful children, Joel, Ebun, and Ife.

BISHOP REFORD MOTT, MPS; M.DIV; D.MIN

Bishop Mott is the Founder and Lead Pastor of Generations Church in lower Westchester County, NY. He and his wife, Sherrie are the proud parents of five children and sixteen grandchildren. Together, they responded to God's call to plant their church in September of 1994, which began as a home Bible study and quickly grew into what is now a multi-cultural non-denominational church with locations in Mount Vernon NY, New Rochelle NY, and Tamil Nadu City in Chennai India.

Not long after establishing the church, he began to build relationships with local pastors and quickly discovered his passion to serve those involved in church leadership. In 2007, he formed the Remnant Pastors and Leaders Network, whose vision and purpose was to help foster authentic friendships and build accountability among pastors within the region. His leadership and influence has reached well beyond his region to impact leaders in other states and nations of the world. Because of his love for and dedication to serving the churches and its leaders, Bishop Mott was consecrated to the bishopric in August of 2012 by the Right Reverend H. Curtis Douglas of Dabar Bethlehem Cathedral, who recognized and affirmed his calling as a Bishop.

Bishop Mott's love for education led him to Alliance Theological Seminary, where he earned his Master of Professional Service (MPS) degree in Urban Ministry. Thereafter, he continued his studies at Gordon Conwell Seminary in Massachusetts where he earned his Master of Divinity (M.Div.) and eventually went on to earn his Doctor of Ministry in Urban Leadership in May 2016.

As a response to the Ferguson riots in 2014, he partnered with local clergy and law enforcement to form the Clergy Rapid Response Team to work with the local police in times of crisis in helping to preserve the peace in the City of New Rochelle. The rapid response team continues to serve its community and has been instrumental in helping to stave off several riots since.

Bishop Mott also serves as Vice President of Christ Covenant Coalition (CCC), a global network of pastors and business leaders, whose purpose is to do life together while expanding the Kingdom of God into new territories. CCC is a family on mission that also provides pastoral oversight, theological education, and cutting-edge leadership development tools for pastors across North America.

Generations Church is a sending church, and has planted churches in the Middle East, as well as partnered with Christ Covenant Coalition to establish the Lebanon Project aimed at assisting the proliferation of the gospel through Christian education in Lebanon.

Additionally, Bishop Mott provides pastoral oversight to several churches locally and abroad and considers himself a 'spiritual father' to many leaders around the world.

Bishop Mott counts it a privilege to be called by God and takes joy in serving his congregation and his city. He believes that the church is a global force for good that will only grow stronger as evil increases.
